Attached is my best guess. Once the mission statement is decided on, I think it is one page.

Thanks. Spoke to Ann who said 402 for that one. Also confirmed that we should have a FL bullet or two in the Assumable paper, though the focus is National— response to FACA, other national issues.

Thanks!

John

Thanks! BTW – OWM/WPD thinks it is ours, or at least not theirs. ☺ just saying.

Clarified with John that this is NOT our topic. No action on "state delegations."

Just focus on the key, general reg related stuff.

What about state delegations?  
Is that supposed to be assumption efforts?

Hi Kathy,

Can you take a crack at this.

To preserve the crummy title I suggest calling it: "NACEPT Advice on Assumable Waters"

Focus on the regulatory aspect. In other words, I would not include individual state interest under this heading.

Thanks  
Mike

Folks— looks like 2.5 of these are ours— please draft for my review by noon tomorrow. Mike, the NACEPT one is Assumable Waters. Jim, please coordinate with Deborah's folks in OST on the Ohio action— since not actually a regulation, you have a bit more flexibility in characterizing the issue.

Thanks!

John

These are for the Administrator. I assume the nacept issue is the Assumable water issue but that was how it was listed in the topics.

Thanks, Ann. Is the audience Dave? OP? Other? With one page, that will help us tailor.

Also, is NACEPT the CWA 404 Assumable Waters issue?
